## What is NOCA?

NOCA is an association of private and public companies, organizations and educational institutions, established in 2002.

We are a non-political, non-for-profit organization – owned and run by members – for our members.

The purpose of NOCA is to bridge the gap between research and practice within the field of HR and to facilitate sharing of knowledge and experiences between members. Thus, NOCA is an association where HR researchers and practitioners can network and share knowledge on all topics regarding the world of HR, which creates value for both the organization and the individual.

NOCA organizes conferences, international field trips and network meetings with different HR-related themes in Copenhagen, Aarhus and online, which keeps our members updated on HR-research and best practice both nationally and internationally. The activities provide our members with the opportunity of establishing personal relations and professional cooperation concerning business challenges in an HR perspective.

**How do I sign up for the newsletter?**

You can sign up to NOCA's newsletter 'NOCAnyt' right [here!](#)

**How do I see upcoming events?**

All NOCA activities are announced in our newsletter 'NOCAnyt', where you can read about and sign up to each event. If you would like to see a full overview of all activities, you can do so on our website [here!](#)

**Is it really free to participate?**

Yes. All member-organizations pay an annual fee to NOCA. This covers all employees in the organization, and therefore you are free to join any meeting at no charge.

**Does NOCA do other activities than network meetings?**

Yes. With NOCA, knowledge sharing and networking is a priority, so everything we do, is with this in mind. Therefore, NOCA also organizes an annual field trip to the biggest leadership conference in the world, Academy of Management, which attracts more than 10.000 researchers and practitioners within the fields of management, organization and strategy. The conference is not free but of course we offer a discount for NOCA-members. Furthermore, NOCA is involved in different research projects and conferences, which ensures that we always have the newest HR-knowledge to share with our members.

The NOCA logo is displayed in a bold, red, sans-serif font. The letters are spaced out, with 'NOCA' in all caps.The text 'Q&A' is overlaid in a large, dark blue, sans-serif font. The background of the entire page is a faded, grayscale image of a man in a suit holding a smartphone and gesturing with his hands.
